

Komputer Kooks Tutoring for Parents in ICT

The Komputer Kooks are offering an accessible computing skills class for parents of Wellington East Girls' College students.

This class is free, and will offer parents the chance to learn basic computing, such as file management, typing skills, competence in MS Word, Publisher and Excel, from Year 12 and 13 East students. It's your choice, and what you learn will be based on your personal needs. It is held in a school computing room (Room 17) on Wednesdays, from 3.30 pm-5.00 pm. If you are interested in attending please contact Mrs Roughton on 04 385 8514 ext 854 or email cris.roughton@wegc.school.nz.
